Objective

Electrical Engineering student at Georgia Tech seeking a Summer 2027 internship in photonics, optical systems, or related engineering fields. Research experience in optical true-time-delay systems, experimental optics, and photonic signal control.

Education

Georgia Institute of Technology | Atlanta, GA *Expected May 2030*
Bachelor of Science in Electrical Engineering

Dublin Jerome High School | Dublin, OH *August 2022 – May 2026*
High School Diploma, GPA 4.53, Class Rank: 13/497, ACT: 36

The Ohio State University | Columbus, OH *August 2024 – January 2026*, GPA 3.925

Columbus State Community College | Columbus, OH *May 2024 – August 2026*, GPA 4.0

Skills

Engineering: Optical Systems, Photonics, Experimental Optics, System Matrices, Polarization Control
Laboratory: Infrared Cameras, Microscopy, Optical Alignment, Experimental Calibration
Software/Tools: FreeCAD, Visual Studio Code, Google Sheets

Experience

The Ohio State University | Columbus, OH
Photonics Research Associate | 2024 – 2026

- Conducted research on optical true-time-delay systems for phased-array applications, collaborating with the OSU ECE Associate Chair of Instruction and Battelle Memorial Institute researchers.
- Applied system matrices, polarization control, and optical alignment while designing and building a level-shifting/calibration setup and modifying internal diffusion optics to improve experimental performance.
- Diagnosed and repaired a six-year-old optical output-block failure, restoring functionality and presenting alignment and troubleshooting solutions to research collaborators.

Dublin Jerome High School | Dublin, OH
President, Student Council | 2024 – 2026

- Led a 40-member student council, organizing school-wide initiatives including the annual Club Fair for 50+ clubs and 1,500 students.
- Directed fundraising events that raised $2,000 and coordinated the district's Santa Phones initiative supporting 80 teachers and their families.
- Evaluated 100+ leadership applications and held weekly planning to maintain an accountable, collaborative team.

Leadership or Activities

Model United Nations | Officer | 2024 – 2026

- Mentored 60+ members in committee strategy, negotiation, and resolution drafting.
- Best Delegate, MUNUM 2026; Outstanding Delegate, MUNUM 2025; Best Delegate, OSUMUN 2024.

Dublin Jerome Hindu Club | President | 2024 – 2026

- Grew membership from zero to 40+ active members and coordinated cultural events involving 1,000+ students.

Volleyball | Varsity & Club Player | 2020 – 2026

- AAU Boys Volleyball National Champion (15U); Steel City Tournament Champion (16U); Second-Team All-Region/All-Conference.
